

# THE BLIND SIDE HOME FURNISHINGS

A celebration was held in September at Oakmont Country Club unveiling our second location, Villa Verona Design. Among the celebrants were long time clients and friends of The Blind Side Home Furnishings, as well as executives from The Cliffs Communities. Guests were able to meet and speak with Bryon Bell, President of Tiger Woods Design, and Beau Welling, President of Beau Welling Design, the lead architect for The Cliffs at High Carolina. All of us enjoyed watching the intimate account of the personal journey of Tiger Woods and his staff in choosing the Cliffs at High Carolina as home to his first signature golf course in the United States. We hope that you will join us in celebrating our second location, Villa Verona Design, which will open September 2009 in the Village at Mountain Park, and will be a part of The Cliffs Communities. As always, we will continue to serve all of our clients here in the Pittsburgh area, and we welcome our new clients within The Cliffs Communities.
